

Newark Youth Leadership Project

Summer Application 2020

LETTER FROM NYLP COORDINATOR

Dear Applicant,

Thank you for your interest in a summer internship with *Newark Youth Leadership Project (NYLP)*, a program of Greater Newark Conservancy. This is not just a job, but an internship program designed to provide interesting and thought provoking opportunities in education and leadership with a focus on the environment.

Please review the following details before considering your application to the program.

- NYLP is a leadership program that focuses on environmental issues including green jobs, the environment, healthy living, education and career exploration.
- This application is for **SUMMER 2020**. The program will run from **July 6, 2020 through August 14, 2020**.
- In this program you will be pushed to try new things, experience outdoor activities and lead a healthier lifestyle.
- Requirements for the program are as follows:
 - **Must be a Newark resident, but can be attending any high school;**
 - **Must maintain a 2.5 or better GPA** (most recent report card must be submitted);
 - **Must have a recommendation of Guidance Counselor or teacher;**
- Before being hired, each applicant will go through an interview process at Greater Newark Conservancy. Be prepared for this interview—dress for success and don't be late!
- Interns are paid through the City of Newark's Summer Youth Employment Program (SYEP). Interns will be required to apply to SYEP separately from NYLP. However, once interns are accepted into NYLP, they will receive assistance on their SYEP applications. Hourly rates are determined by SYEP and may vary from year to year. Interns will work between 16-20 hours per week.
- **SECTION 1 of this application is to be completed by the student applicant and is due by December 6, 2019; SECTION 2 of this application is to be completed by a school guidance counselor or teacher and is due no later than December 11, 2019.**
- **If you have previously participated in NYLP, a resume is required with the application.**
- **Please note: selection is limited, so please submit this application *as soon as possible*.** Interviews will begin in November 2019 and end in January 2020.

Should you have any questions about this application, please feel free to contact me. We look forward to receiving your completed application!

Sincerely,

Malcolm McClain

SECTION 1

Program Questions

Do you have any physical limitations that would prevent you from working outside during extremely warm or extremely cold weather? If so, please explain.

Do you have any reservations about working outside, learning and researching environmental issues, and/or teaching others (children, community members, family, etc.) about the environment?

In the summer, interns will work in specific departments for the entirety of the 6-week program. Please review the description of departments below. Then, from 1-4, rank your interest in working in each department.

Horticulture Department: Learn about gardening; plant flowers/veggies; give tours of Greater Newark Conservancy's Outdoor Learning Center; water and weed gardens; clean up onsite pond; outdoor work

Education Department: Learn about the environment, nutrition, and cooking; interact with young children and adults; assist in implementation of environmental and camp activities; indoor and outdoor work

Farm Stand Department: Learn to run a business by selling fresh produce; market and sell products; educate customers on nutrition and environment; interact with adults and children in local community; indoor and outdoor work

Urban Farming Department: Learn about urban agriculture and how to maintain produce in Newark; grow and harvest vegetables; farm beautification projects; outdoor work

Please rank each department based on your level of interest. 1 is *most interested*. 4 is *least interested*.

ESSAY QUESTIONS

Answer the following questions on a separate typed document and attach to your application. Please answer the questions in 500 words or less.

MANDATORY (each applicant must answer this question):

Why do you want to participate in the Newark Youth Leadership Project school year internship program? What do you hope to gain from this experience?

Choose ONE (select one of the two questions to answer):

1. How do you define “the environment”? What are the various components that make up the environment that you described? How can we—as individuals or groups—influence this environment?
2. Describe a problem you have identified in the City of Newark. Briefly describe the steps you would take to learn more about this problem and go about addressing it.

☐ I have attached my **TWO** essay questions.

REPORT CARD

Please attach a copy of your most recent report card.

☐ I have attached my report card.

RESUME

If you have previously participated in Newark Youth Leadership Project, please attach your resume.

☐ I have not previously participated in Newark Youth Leadership Project.

☐ I have attached my resume.
